Phosphate (P).....15	g/kg		

Act No. 36 of 1947

FERTILIZER GRP. 1

## GENERAL INFORMATION

**Millerplex®** is a proprietary liquid fertilizer formulation containing macro-nutrients and sea plant extracts from Kelp (*Ascophyllum nodosum*). Foliar fertilization is intended as a supplement to a regular fertilization programme and will not, by itself provide all the nutrients normally required by agricultural crops.

**Millerplex®** can be applied to all crops including but not limited to vegetable crops, avocados, grapes, melons, row crops, deciduous fruit and nut trees, citrus, strawberries, cranberries, hops, mint, cucurbits, lettuce, beans, tobacco and ornamental crops.

## DIRECTIONS FOR USE - GENERAL

**Millerplex®** should be used on all crops in a foliar application at the rate of 300 - 500 ml/ha. Timely applications give the best results. **Millerplex®** may be used at any time to help alleviate crop or nutritional stress and maintain healthy growth. Applications may be applied to ground or air in sufficient water for coverage. For specific crop recommendations, contact your Farm Advisor or a Company Representative.

## COMPATIBILITY

**Millerplex®** is compatible with most pesticides commonly used on vegetable, fruit and agronomic crops. Caution: Do not use with Dormant Oil, Lime, Sulphur, Spray Lime or highly alkaline spray materials. The use of Nu-Film P® or Nu-Film 17® will help control the foliar absorption of **Millerplex®**. Do not use penetrating type surfactants or oils with **Millerplex®**.

## PRECAUTIONS

Wash hands with soap and water after work and before meals. Store in the original container tightly closed, in a dry place. Store away from children, pets, livestock and foodstuffs.

Use this product in accordance with good agronomic practices, which include utilizing proven spray equipment set for proper coverage. Do not make applications when temperatures are too hot, as crop damage may occur.

Application should be made at temperature levels and when other environmental conditions in your area are such that your experience indicates the application will be compatible and will accomplish the desired result.

**Notice of Warranty:** Miller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purpose stated on such label only when used in accordance with directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Miller. In no case shall Miller be liable for consequential, special or indirect damages resulting from the use or handling of this product. All such risks shall be assumed by the buyer.

**MILLER MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.**

**Pa Right-to-Know: This contains proprietary ingredient(s).**
